PROFILE

IT and Data Science undergraduate with a solid foundation in data structures, Python, RStudio, and AI/ML. Strong in teamwork and leadership, fluent in Sinhala and English, and motivated to apply technical skills in real-world, data-driven environments.

EDUCATION

BSc (Hons) in information technology – data science

2024 - present

Sri Lanka institute of information technology (SLIIT)
Current year 2 semester 1 | GPA 3.0+

Secondary education

2016 - 2022

Galahitiyawa Central college
A/L (Physical Stream) Bss
O/L (pass)

TECHNICAL SKILLS

Programming: java, python (Basic), JavaScript

Web development: HTML, CSS, JavaScript, React, Thyme HTML, REST APIs

Backend development: Node.js, Express.js, Spring Boot, Servlets

Databases: MYSQL, MongoDB

Core Concepts:

- Object-oriented programming (OOP)
- Data Structure & Algorithm(java)
- Software Engineering Principles
- Artificial Intelligence & Machine Learning

Tools & technologies: Git, GitHub, Postman, Figma, VS code, IntelliJ IDEA

PROJECTS

Online Toy Store (java servlet, file handling)

Developed a web-based Online Toy Store to manage a store which sells toys.
Implemented CRUD operations using Java OOP concepts.
Used file handling for storing and retrieving data without a database.

Web-based pharmacy portal (Spring boot, MYSQL, Html & CSS)

Developed a web-based pharmacy portal which manage full pharmacy system inside and outside operations.
Implement crud using spring boot libraries and java languages.
Handle database with MYSQL.

Hi-Tech Institute web portal (Spring boot, MYSQL, Html & CSS)

Developed web for a real client who has an institute.
Implement crud using spring boot libraries and java languages.
Handle database with MYSQL.

Real-Time sign language converter (CNN, TensorFlow)

Developed solution for the real-world problem for the deaf peoples.
Performing data preprocessing and analysis.

CERTIFICATION

English certification

2024

British council
Level: pre-intermediate

Web design certification

2024

University of Kelaniya
WordPress, CSS, html

SOFT SKILLS

- Analytical Thinking
- Problem Solving
- Team Collaboration
- Effective Communication
